Community Clean-Up Campaign

Dear Muskoka Ratepayers' Association:

On April 27th, when the winter snow has melted, volunteers from across Muskoka Lakes will be pitching in to make our township a bright, clean and tidy place once again! We hope to enlist as many people as possible in this community-wide project including service clubs, community organizations, church groups, schools, business leaders and politicians.

To encourage maximum participation, including residential yard cleanup, tipping fees at the Eveleigh Road Transfer Site near Port Carling will be waived on April 27th for residents of Muskoka Lakes Township. Household hazardous waste and e-waste can be disposed of at the Transfer Station between the hours of 9 a.m. and 3 p.m. Also on that day, large bins will be placed in three monitored locations around the municipality, to facilitate roadside clean-up campaigns. These bins will be placed at the Ranwood, Patterson Corners and Glen Orchard Public Works Yard.

We are writing to you in hopes that your group will consider cleaning up a portion of roadway or park on April 27th. Another way to get involved is to plan a special project for your group such as creating a flower garden or repairing areas that need maintenance around your building or property.

To register for the 2019 Clean-Up Campaign, please call Annette McLeod at the Township of Muskoka Lakes (705-765-3156 or email at amcleod@muskokalakes.ca). The week prior to Clean-Up Day the Township will have garbage bags and flagging tape available for pick-up at the municipal office.

If you could please spread the word and encourage all to participate in our clean-up day. It's a perfect opportunity for everyone to clean their own properties and take advantage of the no tipping fees at the landfill.

Let's all pitch in and do our best.

Sincerely,

A handwritten signature in black ink, appearing to read "Phil Harding".

Phil Harding
Mayor
