

# By-law Enforcement Functional Review Discussion

---

DAVID PINK, DIRECTOR OF DEVELOPMENT SERVICES &  
ENVIRONMENTAL SUSTAINABILITY

OCTOBER 15, 2020

# Purpose

---

- Initiate review of By-law Enforcement function
- Receive direction from Committee on key matters
- Next steps

# Discussion Focus

TOPICS	OBJECTIVES – GAIN FEEDBACK ON:
Prioritize By-laws for Review	<ul style="list-style-type: none"> <li>• By-laws which are most important to update</li> <li>• Priority By-laws</li> </ul>
Identify Gaps	<ul style="list-style-type: none"> <li>• New By-laws that should be considered</li> <li>• By-laws that may be considered redundant</li> </ul>
Enforcement	<ul style="list-style-type: none"> <li>• Proactive versus reactive</li> <li>• Year round – seasonal</li> </ul>
Level of Service	<ul style="list-style-type: none"> <li>• Working hours</li> <li>• Staff complement</li> <li>• Resources</li> </ul>

# Update

Question	Direction
<p>In order of priority, please identify which by-laws you feel are the most important to update</p>	<p>- Please note that the Parking &amp; Public Parks By-laws have been removed as they were recently updated and have a review in progress, respectively</p>
<p>All-Terrain Vehicles      Dark Sky            Dog Control                Exotic Animal            Firearms                      Noise Control            Obstruction of Highways Property Standards            Signs                            Site Alteration            Site Plan Control            Tree Preservation            Use of Public Docks and Ramps            Zoos and Wildlife Sanctuaries</p>	
<p>Licensing By-laws            Hawkers and Peddlers            Refreshment Vehicles      Taxi            Tent and Trailer Park        Transient Traders</p>	

# Prioritize

Question	Direction
Which are the “TOP 5” By-laws you feel that the Department should focus on?	
<p>All-Terrain Vehicles      Dark Sky            Dog Control              Exotic Animal            Firearms                    Noise Control            Obstruction of Highways   Parking            Property Standards        Public Parks            Signs                         Site Alteration            Site Plan Control          Tree Preservation            Use of Public Docks and Ramps            Zoos and Wildlife Sanctuaries</p>	
<p>Licensing By-laws            Hawkers and Peddlers      Taxi            Refreshment Vehicles      Tent and Trailer Park            Transient Traders</p>	

# Identify Gaps

---

Question	Direction
Are there any issues occurring in the Township which should be regulated and are not?	
Are there matters addressed by current By-laws that should not be regulated?	

# Enforcement

---

Question	Direction
By-law's at present are mainly enforced on a complaint driven basis. Do you feel By-law should be more proactive?	
Do you feel any By-laws should be enforced on a seasonal basis?	
How many calls or emails do you receive on by-law complaints? What is the most common complaint?	

# Level of Service

---

Question	Direction
Do you feel that the current level of service is adequate to respond to by-law complaints that you are aware of?	
If you feel that there should be an expanded level of service, what does this look like to you in terms of hours, staff numbers, seasonality, etc.?	
If Council deemed an expanded by-law function as more desirable, would you be willing to allocate more resources to support this expanded function?	

# Next Steps

---

- Individual reports on updated and new by-laws
- Public awareness
- Policy and revised serviced level standards
- Reporting
