

# **DRAFT BUDGET**

**2018**

**COW Version 3**

**February 8, 2018**

## **BUDGET PROCESS TO DATE**

The process was executed as follows:

- The Senior Management Team of the municipality developed the contents of the budget to reflect service level continuity and sustainable asset management, consistent with the strategic direction provided by Council.
- The Council appointed Budget Review Committee, consisting of four members of the public and three Councilors, met for two days in December to review the budget, analyze trends, and make suggestions to be considered by Council.

### **Operating Budget**

- Council asked Staff to present a Consumer Price Index (CPI) increase scenario. Staff introduced the 2018 draft budget at a CPI increase of 1.90% - (November 2016 over November 2017) However, additional increases to the 2018 draft budget over the 2017 final budget are due to additional regulations, funding Initiatives and increased legal and consulting work.
- Combined draft operating & capital levy increase was presented to Committee of the Whole on January 24/2018 at 8.62% - \$5.53/\$100,000 of residential CVA.
  - Operating: 3.62% - \$.06/\$100,000 of residential CVA
  - Capital: 5.00% - \$5.47/\$100,000 of residential CVA
- Committee of the Whole reviewed the operating budget and directed staff to reduce operating expenditures by \$6,000; and eliminate the transfer of parkland reserve revenue in the operating budget of \$298,849.
- After the above adjustments were made, along with the revised CPI increase of 1.5%, the combined draft operating & capital levy increase is currently at 11.26% - \$8.42/\$100,000 of residential CVA.
  - Operating: 6.26% - \$2.95/\$100,000 of residential CVA
  - Capital: 5.00% - \$5.47/\$100,000 of residential CVA
- Committee directed Senior Staff to bring forth further reductions in the operating budget for the Committee's budget deliberation meeting on February 8/2018.

### **Capital Budget**

- The 2018 draft capital budget was presented to Committee of the Whole on January 24/2018 at \$5,167,059.
- The majority of the funding in the 2018 draft capital budget is as follows:
  1. 65% Township reserves including Development Charge and Parkland Obligatory reserves.
  2. 35% Government funded reserve funds (OMPF, Federal Gas Tax and OCIF)
- Committee of the Whole had limited time on January 24/2018 to review the capital budget; however, staff were directed to reduce capital costs by \$12,900.
- After the above adjustments were made, the draft capital budget is currently at \$5,154,159.
- Committee directed Senior Staff to bring forth further reductions in the capital budget for the Committee's budget deliberation meeting on February 8/2018.
